ABI/INFORM Collection
Comprehensive and diverse, helping today's researchers solve tomorrow's problems

BY KEEPING UP with the needs of researchers worldwide, we have grown the ABI/INFORM Collection into the world's most comprehensive and diverse business database. The number of journals available in active full text has more than doubled in the last three years as we have added additional scholarly and non-scholarly content based on feedback from business researchers. The ABI/INFORM Collection now has more of the information needed by business researchers than any other single source available.

The ABI/INFORM Collection contains the following databases:

- **ABI/INFORM Global** — core scholarly content including thousands of full-text scholarly journals, periodicals, dissertations, and collections of working papers, as well as content from *The Wall Street Journal*, *The Economist*, and other major business presses.

- **ABI/INFORM Trade & Industry** — applied content including market research reports, journals, magazines, and periodicals relevant to trade and industry.

- **ABI/INFORM Dateline** — the most streamlined version, containing regional business news and wire feeds.

For more resources and even better value, consider ProQuest's Business Premium Collection.
